

Our Proven Way to Decrease Callbacks and Save You Money! The Homeowners Maintenance Manual

Homeowners Maintenance Manual

Save yourself from costly callbacks with our exclusive Homeowners Maintenance Manual. Over 70 pages of how to information to help the homeowner care for their new home. Includes easy-to-use checklists for monthly and yearly maintenance items as well as a quick reference on top ten problems and how to solve them. According to a NAHB survey, every callback costs an average of \$350 - and every new home generates 5-6 callbacks - that's \$1750 out of your pocket. While our manual may not save you from every call, it will pay for itself many times over. To order

Homeowners Maintenance Tips

Our unique program is designed to be used with our exclusive Homeowners Maintenance Manual. Essentially a 'walk-through' of the typical new home, not only does the program tell the homeowner what to do and when - it shows them how.

Cut down on costly calls with our Homeowners Maintenance Tips program. Available on video or CD for less than the cost of one call. To order

(To order should link to the sales and marketing materials order form)
